AVIS DRIVERS LICENSE TRANSLATION

This document is the translation of the Chinese mainland driver's license attached hereto. It is not meant to be used as an original license. You must use this translation together with your valid original Chinese mainland driver's license. This document may assist the staff of Avis office and law enforcement officials in understanding the information on your driver's license when you rent an AVIS vehicle, and cannot used for any other purpose. Please be informed that this document is not a legal document or a legal form of personal identification. If you have any questions about renting an AVIS vehicle, please call 4008821119 for assistance. Our reservationists will be glad to render warmhearted and considerate service.
